- Access to shopping cart without logging in
- Real-time display of product availability
- Immediate data transfer to APSOparts®
- Round-the-clock ordering
- Easy-to-read labeling of storage bins

How it works

1. Convenient software installation

You can easily download and install the software after logging into “my APSOparts”.

Order data	Product data	Account information
Shopping list management Upload order Downloads	Print labels	Your orders

Downloads

Select the link to start the download:

	APSOparts-NetScan.exe	1661 KB	Software for APSOparts NetScan
	Barcodes.pdf	20 KB	Barcode
	Excel_template.xls	120 KB	Excel ordering template for upload
	Text_template.txt	0 KB	Text ordering template for upload

2. Easy creation of labels

The self-defined labels can be saved in a shopping list, and afterwards they can easily be generated and printed out. All you need for that is Adobe® Reader.

3. Fast scanning of labels

The barcodes of items and the desired quantity are scanned within seconds.

4. Immediate data transfer to APSOparts®

Once the scanner has been connected to your computer, the APSOparts® NetScan program allows the order data to be quickly imported and immediately transferred to your APSOparts® shopping cart.

5. Safe and secure ordering

On the APSOparts® shopping cart page, customers can finalize their orders in the usual way. The order data will be reliably and securely transmitted to APSOparts®.
